EDUCATION

CHARACTER ANIMATION, BFA — University of Central Florida, Orlando, FL

August 2022 - Present

Cumulative GPA of 3.88

2 times Dean's List

PROJECTS

“DADULA” — 3D SHORT FILM

May 2026

I am completing a rigorous 2-year program along with a cohort of 26 students. Among these 26 students, we've broken into 2 teams, each creating our own film from ground up. The following is what we've worked on so far:

- Story Development — rewriting story treatments based on class critique and developing storyboards using video reference
- Visual Development — creating character turnarounds and expression sheets, environment explorations, style guides, story beat illustrations, and recently, 3D modeled objects in style of film.

WORK EXPERIENCE

FLOAT SUB AIDE — New Creations Childcare & Learning Center, Maple Grove, MN

May 2023 - August 2023

I was responsible for the supervising and caring for children of ages three months to five years. I worked with multiple centers, quickly learning and adapting to the team, schedule and curriculum of each room I was needed in.

TUTOR — Self-employed, Long Lake, MN

November 2018 - February 2020

I brought my student from a grade C to A in Geometry, and in Algebra I, helped them exceed in their understanding enough that my help was no longer needed.

SKILLS

SOFTWARE

Adobe Creative Suite, Wordpress, Microsoft Office 365, Autodesk Maya, Substance Painter, Toon Boom Harmony, Storyboard Pro, Figma.

Certified in Adobe Photoshop, Illustrate, and Premier Pro.

LANGUAGES

French — Limited Working Proficiency

TECHNICAL SKILLS
